well at least a small part of it.

The Library, Archives, and Museum Program (LAM) has created a repository for BMW-related historical documents, literature, and paraphernalia, providing the public with access to rare and interesting BMW artifacts while ensuring their continued existence. This archive is housed in Greenville, South Carolina near the BMW CCA National Office and BMW Manufacturing.

Since the LAM was formed, our collection has grown rapidly enough to fill a 3,000 square foot building. It is fast becoming the largest such collection of BMW items in North America. Some of our larger donations have come from Bob Murphy, a founding trustee of the Foundation, as well as a personal collection from Leif Anderberg. We also received a valuable historical collection from the estate of Michel Potheau, one of the founding fathers of the BMW CCA in 1969. Besides these collections, BMW of North America, BMW Performance Center, the BMW Zentrum, BMW and MINI dealers, repair and restoration shops, BMW tuners and hundreds of BMW enthusiasts have donated both large and small collections of materials to the Foundation. Now you can help us save BMW!

Our growing Archives, Library, and Museum needs your tax-deductible donations. See our website for more info.

A Wild Ride Comes to an End Next Chapter Begins for the White Mountain Chapter

by: Mark Viola, WMC president

Well folks, it's been a wild ride. It's hard to believe I've been involved with the chapter at some level for over 10 years now! It's cliché, but my, how time does fly sometimes. As you may have noticed from the ballots for our chapter election, I'm not seeking a board position for 2013. The past few years serving on the Board have been an incredible experience but it's time to pass the torch on to some fresh blood, someone who will help keep the chapter evolving to the next stage.

By the time this newsletter arrives in your mailbox, there hopefully is still time to vote for

your new board members, if you haven't already – either online at the chapter website or in person at our December meeting on the 10th at the Windham Common Man. The people that have been nominated are extremely passionate about not only BMW's, but more importantly, about all our club members who drive them. However the results turn out, the chapter is sure to be in great hands and is well positioned for continuing its bright future.

There's a host of great activities already in the works and on the books for next year. On a few fronts, it promises to be and even busier year than the year we're closing. I look forward to participating in as many events as I can. This year isn't quite over yet but I'm already eagerly anticipating spring!

It would be great if you could join us, but if you can't make it to our last general meeting of the year, please have a great holiday season and see you at the "unofficial start" of the club's new year at the 2013 White Mountain Chapter Winter Reunion!

Hope to see you soon,

Mark

Chapter Membership

Pulling Back the Curtains

by: Michael Morin, WMC membership chair

Christmas is coming fast. I know many of you want to have nothing to do with that 'C' word talk. That's too bad because it's also Chapter election season. Election ballots have been released on our website and on December 10 you can vote live and in person. Don't worry, it is always secret ballot. This year we have a few new faces to the board. If you get emails from us, you should have received a voting link. Otherwise, you can find a RED voting button on our website at the top. Please remember if you have never received an email from us it is because you have not supplied an email address to BMW CCA.

And now for something completely different: our Chapter by the numbers. We've got 636 members, 599 of which reside in New Hampshire. Out of the total number, we have 88 associate members and 9 LIFE members. Nashua and Manchester are our top two cities with 42 and 22, respectively. We always wonder why the big gap between the two considering Manchester is quite a bit larger. On the county level, most of our members live in Hillsborough and Rockingham Counties, each containing 33% of our membership. And there you have it. I'll see you at the December dinner meeting!

It's the most wonderful ...!

Friends, Food and Fun Winter Reunion 2013

by: Cassandra Vorisek-Creto, sec chair

photo: Paul Michail

An annual White Mountain Chapter tradition: The Winter Reunion

There is no better way to brush off the winter blues and holiday stress than by attending the club's signature annual social event – the Winter Reunion! This year's party is sure to be just as wonderful, fun and full of surprises as in the past.

Before you know it, January will roll around, and the club's annual charitable fundraising event will be here. As with last year, there is a limit on the number of attendees, so register early via the chapter website, to guarantee yourself a seat at the event of the season!

The Winter Reunion will be held on Saturday January 19th at The Common Man Restaurant in Concord from 6:00 p.m. to 9:00 p.m. A silent auction and light musical entertainment will be a part of the event. Returning as the entertainment, by popular demand, will be a two-piece light jazz

band. Great music, outstanding food and superb auction items are to be the highlights of the evening.

The 2013 Winter Reunion will be a benefit event to support the New Hampshire Food Bank, a program of New Hampshire Catholic Charities, which serves as the only Food Bank in the state. Their multi-faceted approach to alleviating hunger in our state includes developing programs to help educate their registered agencies, a Mobile Food Pantry, an expanding Cooking Matters program, and their Recipe for Success program. Every year, the New Hampshire Food Bank distributes over 7.8 million pounds of donated food to more than 400 food pantries, soup kitchens, shelters, day care centers and senior citizen homes. These registered agencies in turn provide the food to over 130,000 different men, women and children throughout New Hampshire every year.

You can learn more about the New Hampshire Food Bank by visiting their website: www.nhfoodbank.org And you can make an impact yourself while attending this season's Winter Reunion; we are requesting that attendees bring with them a donation of non-perishable food. We will have a large box at the entrance, and would love to see it over-flow due to the generosity of our members! In addition to the monetary donation that will be raised by the club, non-perishable food donations go a long way in assisting the Food Bank of New Hampshire attend the ever growing needs of our communities.

Even if you are unable to attend the reunion, please consider making a donation (monetary or otherwise) to the organization. Your efforts will go a long way in helping others in need.

Upon arrival at the reunion, you will get to spend some time socializing during a cocktail hour (cash bar). Enjoy the opportunity to catch up with old friends but don't forget to look over the many great silent auction items, and of course place a bid or two! Remember, a portion of the proceeds will be donated to the New Hampshire Food Bank.

To retain the intimate atmosphere of the Winter Reunion, the event is again limited to 50 people. Register early to guarantee your place at this incredible event! Come for good food, fine conversation, great friends and a casual evening of fun.

Thank you to all our Winter Reunion sponsors, and special thank you to 3D Auto Works for being a 3-Series Sponsor of this event. Their support, as always, is truly appreciated.

May We All Be So Lucky A Car Guy Tribute

by: David Harrison

This Summer my favorite car guy passed away. I am not referring to the legendary Carol Shelby of international fame. The man I miss was a simple man without celebrity status or notoriety. His name was Larry Harrison. I simply called him "Dad". In the last few months I've had time to reflect and realize what he meant to me and why.

Father and son on a road trip to Yosemite National Park, California.

Before I became a "car guy" my dad made me a "car kid". My earliest memories seem to involve some sort of car activity. As an infant, Dad exposed me to the dust and roar of stockcar dirt track races. Also drive-in movies and diners were always a treat back in the day. Then there were the road trips across town or across the country for a real life Griswold type vacation. All this early exposure to automobiles shaped who I would become.

While growing up, every father in our neighborhood seemed to change his own oil, spark plugs, and tires. On the weekends Dad always had me in the driveway when the car needed attention. It may have been for father and son bonding, mentoring, or just the need for another set of hands. Regardless of the reason, I always enjoyed those occasions to spend time working with the big guy. A little dirt under the fingernails was to be scorned by Mom but tolerated since boys will be boys. Luckily my wife still accepts this quirk as she tries to keep my overall appearance somewhat civilized despite an addiction to tinkering.

As adults, Dad and I shared a passion for an assortment of vehicles and the occasional road trip. He was never a BMW CCA member. He was more of a Cadillac guy but he did appreciate my various BMWs and even attended the

annual Bavarian Autosport Show & Shine in Portsmouth when visiting New Hampshire.

When my father approached his 80th birthday he admitted his two greatest fears. Losing his drivers license was only second to losing his ability to take care of his family and himself.

Since 1950, when he bought a 1937 Mercury, Dad had driven to school, work, and everywhere else. The thought of losing his independence was very frightening.

In July a phone call from a hospital had me rush to PA. There Larry passed away quietly the next night. Standing in his room I immediately had a rush of emotions as I looked down at him and held his hand for the last time.

Then I had a brief moment of thankfulness as I realized this was the way any car guy would like to end his time. There were still the tell-tale traces of grease under his nails from his last project and his wallet held the active driver's license he used to drive himself to the hospital a few days earlier.

May we all be so lucky.

Burgers, Brats, Beer and BMWs Oh My! Bavarian Autosport's 2012 Show & Shine

by: Michael Morin, WMC Membership Chair

For the past few years, attendees have pretty much given up hope of having sunshine at Show & Shine. This year, yet again, the forecast was for rain... apparently. Fortunately it didn't get cloudy until after the grills were fired up.

Needless to say, it was a perfect fall day: burgers, brats, beer and BMWs. Manning the White Mountain Chapter's info tent, I got to talk to so many BMW enthusiasts looking for a place to share their joy of driving, scenery, car control clinics and all things BMW. To give you an idea of the crowds that attend this annual Bavarian "love fest", we had available for distribution, hundreds of Roundel magazines that were donated by members as well as the National Office of BMW Car Club of America. At the close of the show, we had less than fifty remaining.

You can also see in our online photo gallery that every year the line for food stretches across the very large building and down its far side. If you know where to look, you can see signs of Oktoberfest-like party atmosphere. It was great to see friends from Patroon, Pine Tree, Boston, Green Mountain and Connecticut Valley Chapters. Of course, there were people visiting from further away than Connecticut or New York, I just can't remember them all.

On behalf of the White Mountain Chapter staff, a big thanks and congratulations go out to Bavarian Autosport for their support of Susan G. Komen For The Cure® organization and for inviting us to join them yet again in this annual event to have fun spreading "Bavarian Love".

For Show & Shine photos from 2012 and years past, check out the extensive online gallery: gallery.whitemtn-bmwclub.org

that most participants really get into the spirit of the event by decorating their cars and dressing up; some even decorate their garage space. Even though this is not “big time” racing, there certainly is a real passion at these events. You can easily see it in all the people working hard to keep their cars running. Enthusiasm reigns both on and off the track.

If you’ve never been to a Lemon Race, you really are missing out on some unique automotive fun. For only \$20, you can get an infield pass for the entire day. Watch the racers on the track and stroll through the paddock. The cars are all very amusing with their wacky decorations, and the racing is pretty dramatic too, especially with the mix of both inexperienced and experienced drivers.

Car #667: Mike Collier (NAAC)

Car #346: Jeff Wasilko, Noah Daniels (NAAC)

When drivers incur infractions, such as car-to-car contact, they must come in and be “judged” and more often than not, are made to do silly penalty actions, like three legged races, before they can resume racing. And if such

craziness wouldn’t be enough, there are also several other “special” events that take place throughout the day. I missed them, but I heard this year they had a “wife carry” and a pumpkin toss.

As a spectator with an infield pass, you can pick your favorite turn on the road course to watch all the “racing action” (and of course the countless tow truck pushes getting broken down cars back to the pits), or wander through the garages and see up close the cars being worked on, witness drivers being “judged”, and mingle with the “well dressed” pit crews and their zany race team support groups.

For more information about this race series, check out the official website. www.24hoursoflemons.com

Be sure to keep an eye on our WMC calendar for potential Lemons events next driving season; they truly are fun for the whole family!

Allan Virr of the White Mountain Chapter Wins! 2012 Car of Your Dreams Raffle

Congratulations to Allan Virr of our White Mountain Chapter who won one of the main prizes in the 2012 Car of Your Dreams Raffle! His \$25 dollar ticket made him a lucky 1-in-5000 chance winner.

Seven brand new 335i BMWs (Main Prizes) were drawn at the 2012 BMW CCA Oktoberfest. Two other lucky winners, Raine Mantysalo of the National Capital Chapter, and John Fanucchi of the Golden Gate

Chapter, will each be taking delivery of a new M5 (Grand Prize) and a new M3 (First Prize) respectively. Congratulations to them too, as well as all the other winners this year.

Over the past eleven years, 67 prizes have been awarded. The annual raffle is only open to CCA members so starting in June, watch for the 2013 event and grab your chance to be added to the list of happy winners.

photos by: Michael Morin and Paul Michali

Have you been on any great drives this past year? Have you visited any outstanding diners or restaurants? I can say I definitely have. This past year, to much acclaim, the WMC launched the monthly Drive & Dine event series.

In 2012 we chose a different destination every month making for a variety of wonderful road trips and meals with fellow club members. Photos of all the Drive & Dines to date have been posted in the chapter website's photo gallery. Check them out if you missed any of our trips.

Your suggestion???

Destinations included Parker's Maple Barn, Yankee Candle factory, the Lakehouse in Meredith and a number of others. All locations were selected by members just like you. All suggestions went to the Social Events Committee so they could be added to the calendar and event details worked out.

Right now the schedule for most of 2013 is wide open for more ideas – YOUR ideas. If you know of a notable locale on the coast, in the mountains, or anywhere in between let us know and we'll handle all the preparations.

Simply drop a line to any SEC member listing your favorite culinary hot spots, or better yet, bring your ideas to an upcoming SEC meeting and share them in person over a free light dinner. (Could it get any tastier than that?) Then remember to regularly check our online schedule so you won't miss being a part of a future Drive & Dine to *your* favorite eatery.

Of course you can also regularly read about great past and upcoming Drive & Dines right here in the pages of *the Profile*.
