## Happy New Year!

### Farewell 2016!

Hello 2017! 2016 was a **GREAT** year for our club, with many fun and interesting events, lots of old friends, and lots of new friends. Thank you for reelecting me President of the Chapter! As I begin my second term (third year!) as President of Badger Bimmers, I look back and can't believe how much I've learned about running a club that has nearly **1,000** chapter members. It's been a rewarding experience; I'd like to thank all our club officers and members for helping me rise to the challenge. I hope I've made a meaningful contribution – but there is still much yet to be accomplished. Please don't hesitate to tell me how to make the club better for you!

### Our annual Holiday Party was on January 14 and was a smashing success!

70 club members enjoyed a delicious dinner along with some great time spent sharing stories from the past and making plans for the future. Generous sponsors provided a huge assortment of raffle and silent auction prizes, which really contributed to the festive atmosphere. We also collected \$150 and about 100 pounds of food for **Feeding America**. **Mary Medo** did a fantastic job leading the planning and making the arrangements for a delightful evening. **Thank you!**

### Election Results are in!

One of the high points of the party was the announcement of the **winners** of the **club officer** and **board election**. This year's election saw another bumper crop of candidates, and our new electronic voting system resulted in a record large number of votes cast while insuring ballot integrity. **Five** positions were up for grabs, and without further ado, here is the list of the **2016 Badger Bimmers board** – congratulations to the new and reelected members! (*See P.7 for pictures*)

**President** – Jeff Fait (*newly re-elected*)

**Secretary** – Dave Thuerk

**Board Member** – Tim Jason (*newly re-elected*)

**Board Member** – Joe Conway

**Fox Valley Liaison** – Dale Kressin

**Past President** – Erik Ivanson (*sorry Erik, you're stuck again!*)

**Vice President** – Ron Pace

**Treasurer** – Darcy Yench (*newly re-elected*)

**Board Member** – Dan Frodl

**Board Member** – Chris Wenzler (*newly elected*)

**Madison Liaison** – Larry O'Brien (*newly re-elected*)

### It's never really goodbye...

I would also like to thank outgoing board member **Mike Clemens** for his years of exceptional service. It's difficult to even list all the contributions he made to Badger Bimmers, thank you again Mike for a job well done!

### Chicago Auto Show

Time is short to sign up for our **Saturday, February 11, Chicago Auto Show** bus trip – sign up at <http://msreg.com/cm2017>.

### Chili and a Movie

Be sure to attend our **Fourth Annual "Chili and a Movie"** event **Saturday, February 18**, at Ron Pace's **"Toy Barn"** in Saukville. Sign up at <http://msreg.com/cas2017>.

### Upcoming Driving Events

Dates have been announced for our three driving events for 2017! We will be at **Blackhawk Farms Raceway** on **June 19** and **July 31**, and **OktoberFAST** will be at **Road America, September 29 through October 1**. These are all fantastic, fun, and educational events, which will be the highlights of the summer.

*Also - please take a moment to visit our web site ([www.badgerbimmers.org](http://www.badgerbimmers.org)) to see the full event calendar to be sure you don't miss anything.*

### Madison Area Board and General Membership Meeting - April 15th

The Badger Bimmers board will meet at [Kelly Moss Motor Sports, 5105 W. Clayton Rd., Madison WI](#) on [April 15, 2017, beginning at 11:00 am to 1:00 pm](#). This is a fine way to meet the board members, see and meet old and new car nuts, and enjoy lunch and some beverages, all on the Badger Bimmers.

There will be a tour of the **Kelly Moss facility (KM)**. KM is a big shop that prepares race cars, services performance cars, and does all sorts of related goodness. Get the word out to all the members and to those who don't yet know they want to join the club and enjoy all the fun and instructive stuff it has to offer. We welcome all guests.

Please let Larry O'Brien, Madison liaison, know if you're coming so he can plan for lunch. You can email Larry at [ashark@charter.net](mailto:ashark@charter.net).

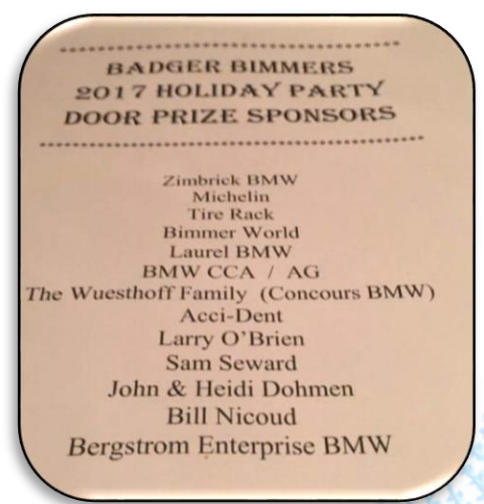

# 2017 Badger Bimmers Holiday Party

The 2017 Badger Bimmers Holiday Party was held on January 14 at Hotel Metro in downtown Milwaukee, WI. A fabulous time was had by all!

The evening kicked off around 6:00 PM with drinks and appetizers served in art-deco-chic surroundings. While mingling, guests could peruse the impressive collection of raffle prizes donated by our generous sponsors and select the items they wanted to try to win in the later drawing. There were also several special items that were presented in silent-auction format.

At 7:30 PM, dinner was served – a delicious dinner salad followed by either beef tenderloin, grilled walleye, or vegetable tortellini, along with whipped potatoes, green beans, and delicious cheese cake or chocolate mousse for desert.

# 2017 Holiday Party & Board Election Results

After dinner, everyone was treated to participation in a brief club board meeting, where we learned some trivia about our 925 chapter members as well as delving a bit into the workings of the club.

Next was the moment everyone was waiting for – the club board election results announcement. *Please see next page for pictures of your newly elected and newly re-elected.*

Thank you to **Mary Medo** for making the party arrangements, and all the other members who helped make the evening a success. Special thanks to the generous raffle prize sponsors: Acci-Dent, Bimmer World, BMW CCA, the Wuesthoff family (Concours BMW), Enterprise BMW, Laurel BMW, Larry O'Brien, Michelin, The Tire Rack, Sam Seward, John & Heidi Dohmen, Bill Nicoud, and Zimbrick BMW.

**So,  
WHO  
WANTS  
TO GO TO  
THE CHICAGO AUTO SHOW???**

Badger Bimmers is hiring a luxury bus to take us to the Chicago Auto Show on **Saturday, February 11, 2017**. The bus has **56 seats, a restroom, and Wi-Fi**. This year the cost for the bus ride is **\$10 each roundtrip for members and \$20 each roundtrip for non-members**.

We're looking forward to filling the bus and lots of FUN for our outing! We are waiting to hear back from **BMW NA** as to whether they can supply us with some tickets again this year so don't purchase yours just yet. You can always purchase them at the door when we get there.

The bus will arrive at the I-43 & Brown Deer Road Park and Ride at 6:30 a.m. for a 6:45 a.m. departure.

The bus will stop at the south west (SW) side I-94 & College Avenue Park and Ride around 7:00 a.m. for a 7:15 am Departure.

We will stop for breakfast at the Petro Stopping Center in Sturtevant on Hwy I 94 and Hwy 20, Exit 333. Planning on leaving there about 8:30 am.

We arrive at McCormick Place at 10:00 a.m. and will depart for home promptly at 2:30 p.m.

If you like, you can bring a small cooler of beverages for the trip and it can be kept on the bus while we are at the show.

# 2017 SPRING CLEAN UP

## Badger Bimmer Spring Clean Up May 6th at International BMW at 1PM

We had a very cold and snowy December. Now we're half way through January and received freezing rain today with 40s in the forecast. With only a few piles left of the white stuff, it does feel like spring is close, but I know we have plenty of winter left. So, why not plan for spring to keep the hope up.

We have our **Spring Clean Up** set for **May 6**. Come join your club members for our annual Spring Clean Up. We are having the Clean Up at **International BMW** in **West Allis**. The start time is **1:00 PM**. International BMW is located on **108th Street South of Lincoln Ave**.

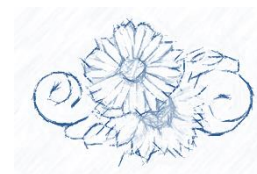

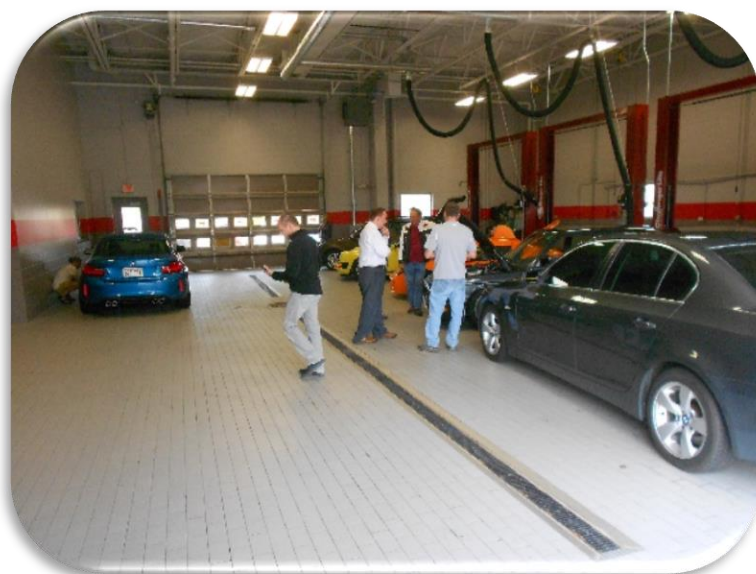

They provide a great place for us to clean/wax or detail our cars. International BMW makes the auto wash bay available for our use. They are providing the use of one of the service areas, BMW/Mini or the previous Fiat service area. Check the areas for us. Spring Clean Up is a great opportunity to meet with your fellow club members while cleaning and shining your BMW.

I am inviting **Nick Sanfilippo** from **Acci-dent** to attend and he offers paint less dent removal services. Their dent removal results have been amazing. If you are interested in having a dent removed contact **Nick Sanfilippo at 414-305-5005 several days before the event** and let him know where the dent is. Some repair locations require special tools and Nick needs to know what special tool he needs to bring for your specific repair.

The car show room is open all day so take some time to look at the new cars. View the new electric **I8** and **I3**. Food and beverages will be provided by International BMW and our club.

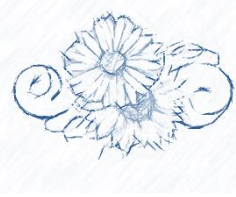

If you have question call **Dave at 262-784-4180** or Email at [dthuerkm3@gmail.com](mailto:dthuerkm3@gmail.com)

# What's in My Garage?

## 2004 Ford SVT F-150 Lightning

In its original form, the 2004 Lightning truck was fitted with the 5.4L single overhead cam engine from the regular F-150, including an Eaton roots supercharger and other performance parts, making 380hp at the crankshaft. The truck was styled as a “step-side” two door with rounded contours, a side outlet exhaust, upgraded suspension and brakes. A heavy duty four speed automatic transmission was taken from the F-350 and the interior was outfitted with sporty faux bucket seats and a full array of gauges.

Even though I am a car guy, I had always wanted a sport truck. When a SVTOA (Special Vehicle Team Owners Association) friend decided to sell his new Lightning, I jumped at the chance. He brought it to a car show at Pandl's in Bayside, I took it for a drive and bought it. Now this Lightning was not stock! My friend had already commissioned major modifications, made by our friend and super mechanic Marv Zuidema who owns C&M Automotive in Hubertus. These mods included: a complete rebuild of the motor with all forged parts, upgraded performance software tuning and MAF, electric fans, aluminum tanks, suspension traction bars, lowering system, and upgraded stall converter. My new toy was massive, loud, angry and fast. It was certainly different from my cars. I love the step-side look which harkens back to 1950s F-100 pickups. In dark shadow gray, my Lightning was #1129 of a build of 3781 in 2004.

Now you would think that I would have been content to stop at that point and just drive the truck, but no.

Instead, I went back to Marv and had him make additional modifications. The supercharger was upgraded to a Whipple, and with dyno tuning, produced 700hp and 750ft lbs. of torque at the engine. This was a “mild” tune with relatively low boost. There remains potential for a lot more power if showing dyno sheets is your bag.

Brew City Cruise Night

## Cont. What's in My Garage...

I also added a Magnaflow exhaust, and importantly, much improved front braking (Brembos) which saved almost 100lbs over the stock calipers and rotors. In addition, I added an ARE fiberglass color matched bed cover, a stock heavy duty trailer hitch and wiring, and Nitto high performance tires. Now my show truck can track, drag race, and even tow the boat. I could do "hole shots" from the boat launch ramps in Vilas county!

This Lightning can be seen occasionally throughout the summer at the Brew City Cruise Night car show held at the River Club in Mequon each Tuesday night from May through September. You may also see my 2004 SVT Mustang Cobra, but that's another story.

## Botham Winery and Vineyards Vintage Car Show

Of all the venues for car shows, few offer the ambiance of the *Botham Winery and Vineyards Vintage Car Show* outside *Barneveld, WI*. Amid rolling hills, valleys, gullies, and gulches; the Vineyards provide a pastoral setting for display of some of the fine and interesting vehicles in the area. From the plethora of *Citroen*, a grand variety of vintage racers to the funky and one lonely little red 2002, the show provided us with a superlative variety of automotive splendor and certainly some giggles. From the emergence of a dusty out-back safari guy from the Land Rover to the possible deliverance of the Crown Prince of Monaco from the 1934 Nash saloon (in a slightly different setting), and whatever that other thing was, but it was all a fine showing, despite the absence of champagne at the food tent. Oh well, can't have it all.

It's an annual event at *Botham* and definitely worth the trip if you're in the area.

~ Larry O'Brien

Do you want to store your classic car or your family heirloom vehicle? Or maybe there's that extra car with nowhere to park it? I have the solution with inside and outside space - the level of protection is up to you!

Our inside facility for cars only is located in Waukesha. The climate is controlled at 55F. We start moving cars in in Nov and pull out is April 30 2017.

Outside is located in West Allis and we have room for cars, truck, boats and trailers this lot has a security fence with barbed wire. Move in is available year round.

### **Winter Wheels and Tires For Sale**

This set of 4 wheels and tires are brand new, never used. They were generously donated to Badger Bimmers by the Wuesthoff family after they sold Concours BMW, with the proceeds to benefit the Club. Any apparent defects in the condition in the photos are just dirt or reflections. These are brand new, never mounted on a car.

These are the correct size for 2012 or newer 3- and 4-series cars **without** the Sport Package. They will probably fit many other BMW models (E9x family especially, but check diameter, width, and offset) but the TPMS sensors will not work correctly.

**Tires:** Michelin Pilot Alpin ZP winter run-flats, 225/50-R17 94H

**Wheels:** Moda EB1, 17x8 ET35, 72.56mm center bore (uses hub-centric rings, included)

**TPMS:** Included, works with F3x (2012+ 3- and 4-series cars) produced through 02/14 only. Older and newer cars use different Tire Pressure Monitoring System sensors.

Original retail value of about \$1275 for the set of 4

Suggested donation to make them yours: \$700 for the set of 4

Contact [badgerbimmerjeff@gmail.com](mailto:badgerbimmerjeff@gmail.com) for more information or to arrange pick-up.

### **Winter Wheels and Tires For Sale**

This set of 4 wheels and tires are brand new, never used. They were generously donated to Badger Bimmers by the Wuesthoff family after they sold Concours BMW, with the proceeds to benefit the Club. Any apparent defects in the condition in the photos are just dirt or reflections. These are brand new, never mounted on a car.

These are the correct size for 2012 or newer 3- and 4-series cars **with** the Sport Package. They will probably fit many other BMW models (E9x family especially, but check diameter, width, and offset) but the TPMS sensors will not work correctly.

**Tires:** Pirelli Winter 240 Sottozero winter run-flats, 225/45-R18 95V

**Wheels:** Genuine BMW Style 396 (BMW part number 36116796246), 18x8 ET34, 72.56mm center bore, includes genuine BMW center caps

**TPMS:** Included, works with F3x (2012+ 3- and 4-series cars) produced through 02/14 only. Older and newer cars use different Tire Pressure Monitoring System sensors.

Original retail value of about \$2400 for the set of 4
